YT-C767

Extra Heavy Duty, Long Arm, Upper & Lower Feed, Lockstitch Sewing Machine

## Special features & applications:

- This machine is equipped with semi-rotary large capacity shuttle hook, suitable for sewing extra heavy weight materials, such as safety and logging belts, luggage, cargo slings, buffing wheels, harnesses, construction barriers, parachutes, balloons and book binding.
- With upper & lower feed, the machine can sew accurately and easily several sheets of heavy weight materials piled up together.
- The machine is provided with a free space measuring 413mm wide. It allows the operator to handle a large sewing product with ease.
- Applied the semi-rotary large shuttle hook & bobbin, could reduce the frequency of changing the bobbin thread and increase the sewing efficiency.

Model	YT-C767	YT-C767-H
