

YEONG TZAW ASSOCIATES INC

YT-100LH Mini Round Cutter (Long handle)

● Features

1. High-torque motor, streamlined and light weight construction.
2. It adapts a carbide circular knife with a scissor-type action to prevent the sliding stop function or the textile which is difficult to cut.
3. There is no obstruction when cutting intricate curves, and the synthetic fibers are cut without leaving any debris, and the single layer and the smooth material are not pulled or deformed when cutting
4. Special protection does not hurt the hand function
5. Built-in grinding wheel set, lightly held grinding blade

● Specifications
